Open the Mac App Store and buy and download apps. We are proud and happy to launch Bhagavat Gita in tamil application fully offline. Thanks for downloading the app. We constantly strive to provide the app with advanced features to make using the app very useful and convenient. Bhagavath Geethai, often referred to simply as Gita, is a 700-verse Hindu text in Sanskrit that is part of the Hindu epic Mahabharata (Chapters 25-42 of the 6th Mahabharata Book). The app contains slogans, its phrase phrase meanings and detailed explanations, all readable in Tamil. We may include multiple languages in future updates. The application has many features to facilitate the reader with maximum comfort and ease to read the contents of Baghavat Gita. Some of the features are as follows: * Share a verse through all social media * Change font size to suit the reader's convenience * Change the color of the app's content * Continue readingIf you like this app, please rate and comment:)Your comments/comments/suggestions are always welcome. This update is signed with the latest Apple certificate signature. No new features are included. I like the format. Tamil verses are displayed. However, if you scroll left to right original Sanskrit verses are written in Tamil (useful for people like me who are ignorant of devnagari script), followed by somewhat widespread Tamil meanings. On top, it's free. What more can you wish for? Recommended without reservation. I have no financial interest in applying. Rathinasamy Developer, SOFTCRAFT SYSTEMS AND SOLUTIONS PRIVATE LIMITED, did not provide Apple with details of its privacy practices and data manipulation. The biggest-selling edition of bhagavad-gita in tamil is knowledge of 5 fundamental truths and the relationship of each truth to another: these five truths are Krishna, or God, individual souls, material world, actions in this world, and time. When translating gita, a.C. Bhaktivedanta swami prabhupada stayed true to the intended meaning of krishna words, and untouched all the secrets of ancient knowledge of gita and placed them before us as an exciting opportunity for self-improvement and spiritual fulfillment. Gita is a conversation between Krishna and his dear friend Arjuna. At the last minute before entering the battle between brothers and friends, the great warrior Arjuna begins to wonder: why should he fight? What's the point of his life? Where he's going after death. In response, Krishna brings her friend from embarrassment to spiritual enlightenment, and each of us is invited to walk the same path. Read online Select PDF Loading document ... Loading page...
